

Eligibility for Artisan Markets

Approved 6/9/2025

Farmers on the Square's Artisan Markets are intended to broaden the scope of local producers highlighted at our market to occasionally include craftspeople who work outside the food system, as well as to draw in new groups of customers to encounter our weekly farmers market, which is the main purpose of the organization. Therefore, any vendor participating in an Artisan Market must be based within 50 miles of Carlisle, PA and be the creator of all products they sell, as in our local producer requirement for other vendors. Furthermore, vendors who would otherwise be eligible for our Regular Season markets (ie, producers of food, OR of non-food agricultural products made primarily with materials from their own farm) may not participate in Artisan Markets, UNLESS their products are in an entirely distinct category from any items available for sale in the ongoing Regular Season within one month of the Artisan Market(s) for which the vendor is applying.
